## Overview:

The International Conference on Orthopedics and Rheumatology is a premier global gathering dedicated to enhancing women's healthcare through cutting-edge research, innovation, clinical practice, and interdisciplinary collaboration. From August 24 to 26, 2026, in London, this event will unite healthcare professionals, researchers, policymakers, and industry partners to shape the future of women's health worldwide.

## Call for Papers

Participants are invited to share their research and findings by submitting abstracts for consideration in the scientific sessions. A standardized template for submissions can be found on the "Abstract Submission" page of the conference website. All accepted abstracts will be featured in the extended abstract book, which will be accessible online and distributed at the conference.
